

# Hartshorne Village Residents Association

## News Update

Since the Residents Association was formally constituted at the public meeting on 18<sup>th</sup> May, its status has been recognised by the District Council who have registered us through their Community Partnership Officer and we will be consulted on Part 2 of the Council's Local Plan in due course.

We have also started discussions with the Council's Conservation Officer to explore the possibility (and the implications if any) of the village being designated a conservation area. We will report back when we have more news on this.
